After all of the praying, if you don't obey, you nullify all of the praying. Belief plus action equals faith. - Edward Louis ColeMaximized Manhood is a relatively quick read that strikes at the heart of what it is to be a real man living in the promise and provision of God. Dr Cole shares his revelation concerning how the Children of Israel were denied entry into Cannon as a result of 5 unrepentant sins. These were Lust, idolatry, fornication, tempting Christ and murmuring which Cole goes on to unpack and describe. Cole feels that these same sins are preventing men today from reaching their full potential or as he as termed it, "Maximized Manhood". Dr Cole asks men to confront the sin in their lives and confess it to God with a changed heart and changed attitude. Often the temptation is to nullify the Holy Spirit's power to transform our lives by refusing to be convicted and instead reclassify sin as mistakes, mishaps, slipups or weaknesses. Cole basically says it's time to "man up" and take responsibility. As men we are called to be the head of the household, but in many cases we have abdicated our duty by either fleeing the family unit or staying there but in an ineffectual manner. This book was published in 1982, 27 years ago, the year I was born; yet is it's message is just as relevant as it was back then. It was recommended from the platform of a men's conference I attended as the book that turned the speaker's life around and saved his struggling marriage. He had already reached the divorce courts when he found it. With over a million copies in print I'm sure this is the testimony of many men. It is the first Edward Cole book that I've read, but it wont be the last as I've just ordered two more on the strength of it. So, what's the fuss about? Why should you read this book? For me personally, the chapter that challenged me the most was Chapter 7 - 'Is there a priest in the house?' As Christian men, we are called to be prophets, priests and kings to our families. They way my daughters see me, will greatly influence their view of God. That's a scary thought!?! This was a wake up call for me that I need to be more authoritative than authoritarian. ...more "Edwin Cole's ministry changed my life, changed my marriage." - Reggie White, NFL Superbowl Champion, Green Bay Packers "This is a man with the word for men today." - Mike Singletary, NFL Hall of Famer "Edwin Louis Cole is doing wonderful, critical work on the front-line of spiritual warfare. I think every man should participate in the Christian Men's Network." - Theodore Baehr, Chairman, The Christian Film and Television Commission "I hope to convey somehow to the men I influence the influence that Ed Cole's words have had on my life." - Carman, Musician "Edwin Louis Cole is an example to men; an inspiration to the men of America in a time that cries out for just such leaders with sound moral value." - Oliver North, Lt. Colonel, U.S. Marine Corps (ret.) "God has developed a magnificent ministry in Edwin Louis Cole. He has ministered to me, drawing out of me an intensity for Christianity that God has placed deep within me." - Bill McCartney, Founder, Promise Keepers "Ed Cole...many regard as the forerunner of the current Christian men's movement." - Charisma Magazine, July, 1993 Dr. Edwin Louis Cole, known as "the father of the Christian men's movement," was called by God to speak with a prophetic voice to the men of this generation. To that end, he founded the Christian Men's Network, a ministry that continues to strengthen men by reaching thousands each month with the reality that manhood and Christlikeness are synonymous. As a pastor, evangelist, missionary, business executive, and denominational leader, Dr. Cole, together with his late wife, Nancy, served the Lord in ministry for more than fifty years until his death in 2002. Over four million copies of his books are in circulation today in more than forty languages, and his work and vision are still carried on by his "sons" in the faith-godly men who were touched by Dr. Cole's ministry. Maximized Manhood...newly revised. The best-selling book for men in the world...just got better! "Being male is a matter of choice. This is a book about that choice." - Ben Kinchlow "Edwin Cole's ministry changed my life, changed my marriage." - Reggie White, NFL Superbowl Champion, Green Bay Packers "God has developed a magnificent ministry in Edwin Louis Cole. He has ministered to me, drawing out of me an intensity for Christianity that God has placed deep within me." - Bill McCartney, Founder, Promise Keepers Over 1,000,000 in print "This is a book to men but for women--because when a man changes, the entire family is blessed. Every woman should read this book." - Mrs. Nancy Cole Dr. Edwin Louis Cole (1922-2002), known as "the father of the Christian men's movement," was called by God to speak with a prophetic voice to the men of this generation. To that end, he founded the Christian Men's Network, a ministry that majors in men and communicates the reality that manhood and Christlikeness are synonymous. A former pastor, evangelist, missionary, business executive, and denominational leader, Dr. Cole and his wife, Nancy, served the Lord together for more than fifty years. Over four million copies of his books are in circulation in more than forty languages, including his best-selling Maximized Manhood. Since his recent death, his legacy and his vision are being carried on by his "sons" in the faith as they reach tens of thousands of men each month via books, videos, and other media.
